Codetech It Solutions

In C language

TECHNICAL SKILLS

Languages: Core Java, C, SQL, HTML, CSS , MS Office (Word , Excel , Powerpoint)

Developer Tools: VS Code, Eclipse, IntelliJ Idea Ultimate , Notepad

Extracurricular

UI/UX Design in Figma of website.

I have been very passionate about technology and software development. That's why I started learning programming languages like **C and Java**, and working on database technologies like **SQL**. Along with that, I have explored **HTML and CSS** for web designing, and I am also skilled in using **MS Office tools** like Word, Excel, and PowerPoint.

Volunteered as a Teacher

Berhampur
